Web portal manager and editor in chief SBOnline.Net portal, web publishing and marketing. Photographer.

Production of software for POS systems and small microcontroller managed systems.

Teacher in usage of IT, in schools and seminars, teaching people and small companies about Internet, microprocessors, IT systems, programming, MS office etc.

Electrotechnic School Slavonski Brod

Teacher of Informatics & Internet Technologies

2006 - 2008 (3 years)

Slavonski Brod, Croatia

Professor teaching about microprocessors, automation, computer hardware and operation systems. Professor of Internet technologies. Servicing school's IT equipment, HW & SW, computers, LAN, and administration. Intranet e-Learning system, Open Source, Moodle.

HPT / Hrvatski Telekom / Deutsche Telekom

IT & Internet Specialist

1994 - 2005 (12 years)

HT, Slavonski Brod / DC Utrine, Zagreb

DEC Alpha, VMS servers; HW, SW service; Internet technologies

It was not easy to work at HT / DT in Slavonski Brod.

There was a lot of evil people before the war (communists, UDBA, KOS ...).

When the war ended I got a job, worked in HT, as a system engineer, IT & Internet technology. I got a Task and not a job. My reference was participation in the war (engineer, science, made a new weapon, IT tech specialist, especially for Digital technology, 4 faculties studying, foreign languages, programming languages about 15, never in politics, totally clean, and so on).

But after first day i see in HPT SB, Slav.Brod: Director is new man, serve to Croatian Republic, but all people around are former commies etc... Just bad "ambience"...

After almost 10 years of heavy mobbing, at the end of dangerous threats (..this evil people ...) I left "bad society". My career in HT / DT was over. Offer "Stay 3 more months, get more certification, and then go." was not an option.

"When you're playing with Secrets, you're can die from the Secret," it's better to go to some other Game, go fishing or anything like that...

Economy school Slavonski Brod

Teacher of informatics at Economy school

1994 - 1995 (2 years)

Slavonski Brod, Croatia

Teacher of informatics at Economy school Slavonski Brod. Microsoft Office, Internet, General Informatics.

Mario Laser d.o.o,

IT Engineer, Office System developer & CNC programmer

1993 - 1994 (2 years)

Antuna Barca 32, Slavonski Brod, Croatia

Developing and programming of all company's busines software. Maintenance of big metal cutting laser system & CNC programming.

Heron Electronic

IT Engineer, Busines software developer

1993 - 1994 (2 years)

Slavonski Brod, Croatia

IT Engineer, Software developer, POS systems, DOS, dBASE and Clipper programming

Cherry Foretagen, Sweden

Area manager in Croatia

Institute Djuro Djakovic

Research, Testing and Development Engineer

1978 - 1988 (11 years)

Slavonski Brod, Croatia

Research, Testing and Development Engineer at Mechanical Engineering

Institute Djuro Djakovic, Slav.Brod

Specialist for electronic measurement of non electric quantities, automatic computers Research, Testing and measurement in mechanical engineering, Laser and x-Ray technology.

Computers: Digital PDP11 server administrator & programmer, HW&SW service, LAN and Windows networks.

Programming in 11 languages, from Asembler, C, to Fortran, DataBases etc. Specialist for micropocessors and microcontrollers, laser technology, computer measuring of non electric quantities.

Good in mathematics, physics, I adore new technology. Service engineer for electronics and industrial x-ray systems of all Balkan. Quality Assurance specialist in nuclear plant Krsko, Slovenia (Westinghouse) and in military industry (weapons, tanks production for Yugoslavian army).

Have a inovations and patents, teaching people in IT and Personal Computers and Micrsoft technology practice from individuals, small companies, local faculty professors, up to local administration staff (ex: County Brodsko-posavska, Croatia, 1986.).

Institute for Mechanical engineering, Djuro Djakovic
Primjena računala u prototipnim industrijskim mjerenjima i ispitivanjima
1986 - 1986 (1 year)

Zagreb

8. Međunarodni simpozij CAD/CAM PPPR

Zagreb, 15.-16. 1986.

Primjena računala u prototipnim industrijskim mjerenjima i ispitivanjima

Application of computer in prototype industrial measuring and testing

Ž.Klindžić, D.Antulov, G.Markovac

Institut za strojarstvo Dj.Dj - Strojarški fakultet

UDK 621.001.4: 681.3.004.14

... u doba NE Krškog mi došla ta igračka / identičan PDP11/04 / + mjerni sustav s 300 točaka/ ... history... kasnije DEC Alpha HT/DT ...

Djuro Djakovic Industry, Croatia

Developer of industrial electronics and automation

1976 - 1977 (2 years)

Slavonski Brod, Croatia

Developer of industrial electronics and automation at Djuro Djakovic, Slavonski Brod, Croatia

1976 - 1977 (1 year)

Novice engineer in electronic and automation, railway diesel locomotive

DHL1600 development team.

Education

Faculty of Electronic Engineering, FER, Zagreb
Robotics and Automation Engineering · (1985 - 1987)

Integrated studies, Mathematics, Physics and Electronics, UHH,
Hamburg
BsCEE, Mathematics + Physics + Special electronic Equipment + x-Ray Tech
+ IT · (1980 - 1984)

Faculty of Electronic Engineering, University of Banja Luka, BH
Bachelor of Electronic Engineering, Electronics and Telecommunications
Engineering · (1970 - 1976)

Gimnazija "Matija Mesić", Slavonski Brod
· (1966 - 1970)
